

"Why Do You Hate Julia Scott" Said he (comfy and slack-bladdered in his new penthouse suite)?

=====

So the very next thing was completion after ? (you remember this amount) Hours of moron brainless negative affect and kilo weights applied like liquidly corpuscles...

6/8/220.3 points 1 hour (exactly) of VH interrogation. Then I 'talked' for ~ = 15m, then did computing for three hours (collating incriminating data) that got near total silence. Then got ontp towel (sold the dummy). It didn't sell. Badly injured.
